

SRP-270

World best receipt printer **SRP-270** features the fastest printing speed, high durability. Specially **SRP-270** is very suitable for the store manager to save running cost considerably and to purchase the receipt printer at low price. **SPR-270** has the solution such as competitor's compatibility and multiple driver at any OS environment.

Dot impact printer with excellent build quality from one of the worlds major companies but at low price compared to other leading manufacturers. Suitable for all impact printing requirements such as remote preparation order printing, receipts, audit record, vouchers, medical, warehouse etc.

Samsung SRP-270 provides high reliability, quality and low price.

Compatible with most leading makes and with Windows drivers allows plug and play installation.

- **Impact printing for the Future**

The SRP-270 is ideal for both POS receipt printing and remote printing for food and drink preparation orders in hospitality applications.

- **Easy System Integration**

With fast moving technology in IT solution it is important to have simple integration of peripheral devices. The SRP-270 is no exception, drivers are available for Windows 95/98/ME/NT4.0/XP and OPOS.

- **Operational Reliability**

Other features include a paper end detector that automatically alerts the user when the printer is out of paper, an auto cutter and take up, and the ability to print one original plus two copies.

- **Various Interface Cards**

The SRP-270 features modular interface boards that enable users to select from bi-directional parallel, RS-232C, RS-485, Ethernet, USB and Bluetooth interfaces simply by ordering a new module.

- **Three series models**

There are 3 models to choose from, with varying options such as A type (tear-off bar), C type (auto cutter) and D type (journal take-up for 2 ply paper printing).

The **SRP-270** is an ideal low cost printer for point-of-sale applications. The modular user-friendly design, graphics capability, and 4.6 lines per second print speed offer reliable high performance in a compact, lightweight design.

SRP-270A SERIES MODEL
(with tear-off bar)
Dimension (W x L x H mm) 160mm x 247mm x 130mm

SRP-270C SERIES MODEL
(with auto cutter)
Dimension (W x L x H mm) 160mm x 247mm x 149mm

SRP-270D SERIES MODEL
(with cutter and take-up spool)
Dimension (W x L x H mm) 160mm x 247mm x 159mm

※ Available in Dark Gray !!!
